**A Brief Story About The Company**

# **ABOUT US**

PLAYTECH, established in 2018 in Kuliapitiya (60200), has successfully pioneered computer equipment support, sales and maintenance activities and has provided services to various private and public institutions in the face of the “Covid” pandemic. On May 24, 2022, we registered our company as PLAYTECH (Pvt) Ltd.

After that, PLAYTECH MST (Mobile Service Team) division aims to provide all computer-related services to all private / public institutions under a formal staff and a formal program.

# VISION

"To empower individuals and businesses with seamless technology experiences, providing expert computer, laptop, and networking sales and services that are reliable, accessible, and tailored to their evolving needs. We envision a future where technology enhances every aspect of life, and we are the trusted partner that makes it happen."

# MISSION

**01**

Sales: Offering a curated selection of reliable computers and laptops to meet diverse needs.

**02**

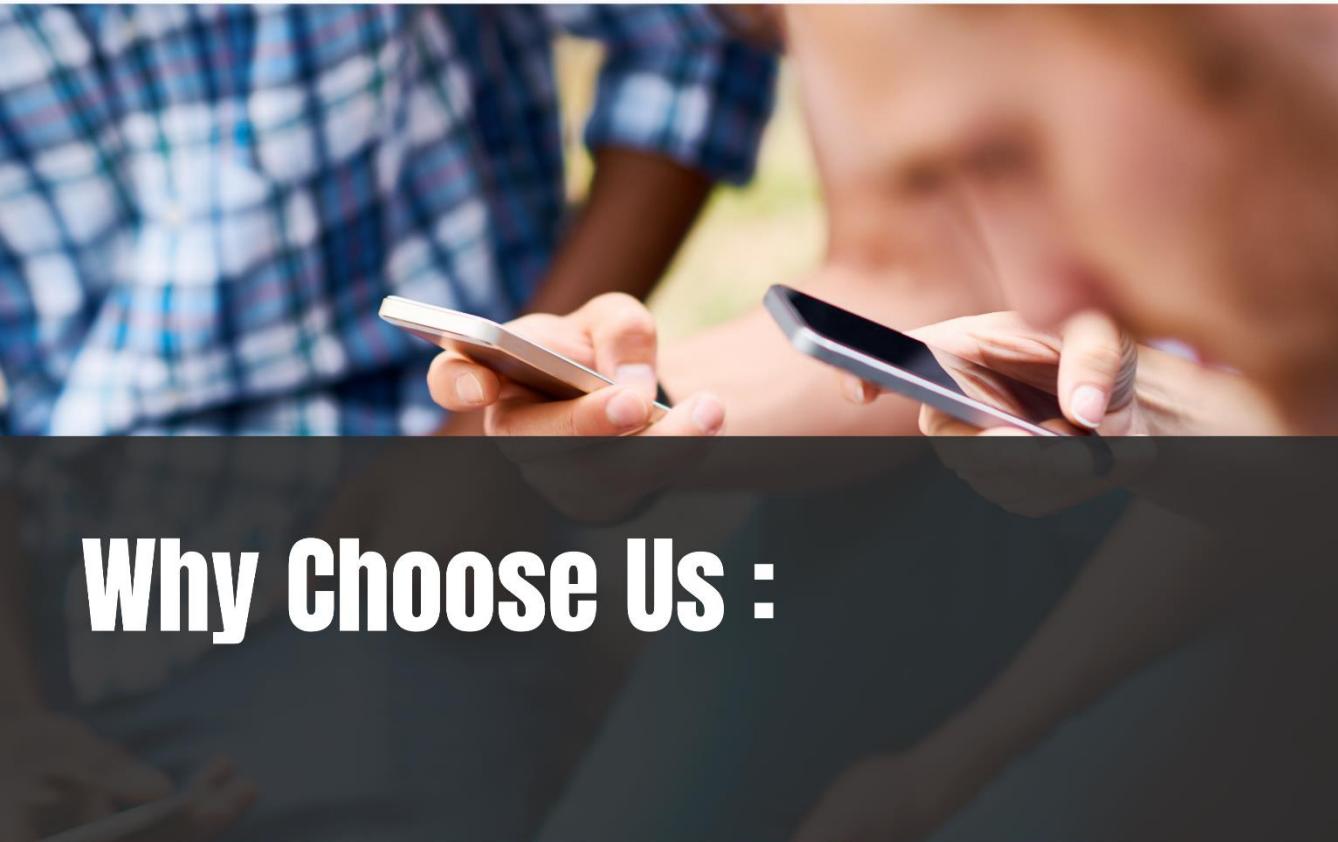

Service: Delivering prompt and professional repair and maintenance for optimal device performance.

**03**

Networking: Designing and implementing robust, secure, and efficient network solutions for homes and businesses.

**04**

Support: Ensuring ongoing customer satisfaction through friendly, knowledgeable, and proactive technical assistance.

# Why Choose Us :

01

### Wide range of services:

We offer a wide range of computer services, from sales and repair to maintenance and networking.

02

### Mobile Service Team (MST):

If you are running a business that needs help with computer problems, we are always there to help.

03

### Expert technicians:

We have a team of experienced and qualified technicians who can help you with all of your computer needs.

04

### Competitive prices:

We offer competitive prices on all of our products and services.

05

### Friendly and helpful staff:

Our staff is friendly and helpful, and they are always happy to answer your questions.

# SERVICES WE PROVIDE

## Reliable Desktop/Laptop Solutions

Our organization furnishes branded Desktop, Laptop computer systems and corresponding accessories to address your enterprise needs.

### Authorized Warranty

We ensure the provision of the maximum authorized and most comprehensive warranty coverage for all computers supplied. This commitment is upheld through our strategic partnerships with authorized distributors of the relevant brands within Sri Lanka.

### Genuine After Service

Comprehensive after-sales service is a cornerstone of our commitment to all computers and accessories we supply. Our support framework includes provisions for post-warranty assistance, offering both on-site technical services at your organization's location and efficient remote troubleshooting capabilities.

# BUSINESS LAPTOPS

HP Business Notebooks

## EXCEED YOUR PRODUCTIVITY

Business series laptops, conversely, prioritize reliability, security, and productivity. They boast robust build quality, often incorporating military-grade durability standards, advanced security features like fingerprint readers, TPM chips, and enterprise-grade encryption. Longer battery life, enhanced connectivity (e.g., docking station support), and professional operating systems are standard. Their design is typically more subdued, focusing on functionality and corporate aesthetics, with less emphasis on flashy features and more on consistent, long-term performance in demanding work environments.

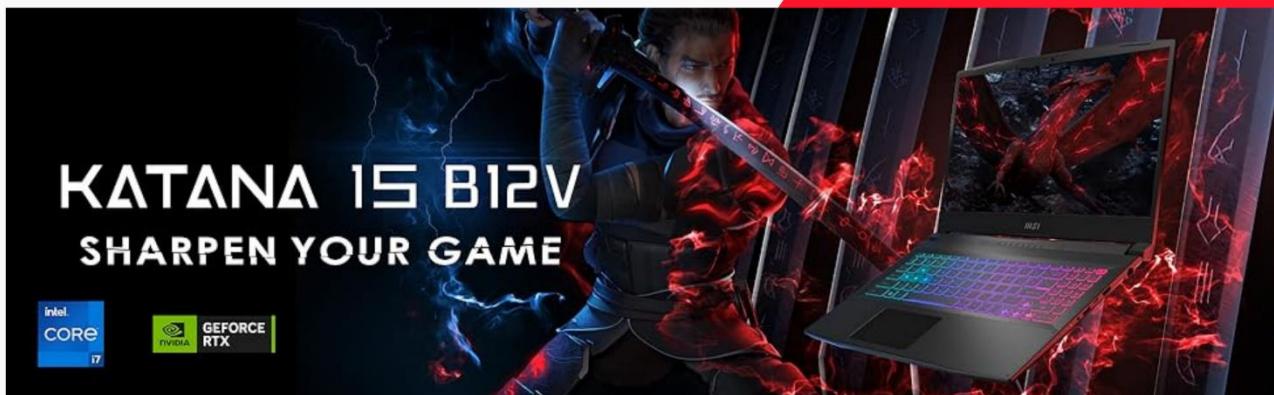

Elevate Your Digital Experience

# HIGH END LAPTOPS

We present a curated selection of high-performance laptops specifically designed for creators and gamers. Our inventory features a comprehensive range of premium models, all secured by an extended two-year hardware warranty and equipped with high-capacity components. We are the sole provider offering this unique two-year hardware warranty. As an authorized dealer, we provide a broad and diverse range of models to meet varied professional and recreational demands.

# EMPOWERING YOUR PASSION

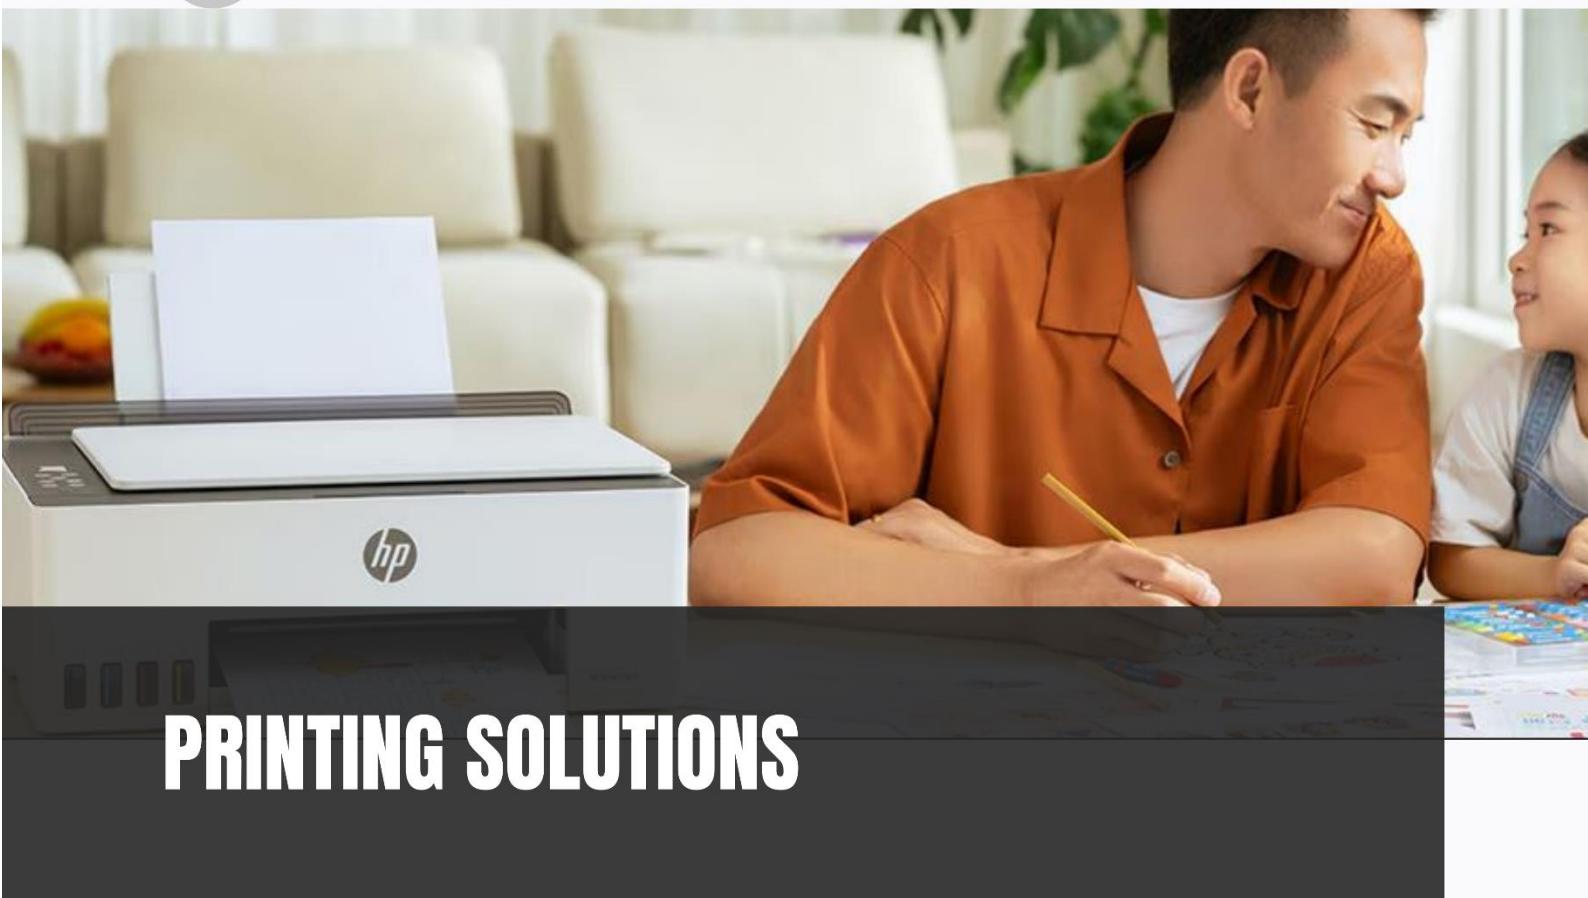

# SPARE PARTS & UPGRADES

"We always use components obtained through authorized dealers": Replaced with "we exclusively utilize components procured from authorized dealers," "the exclusive use of components acquired solely through authorized distribution channels," or "only components obtained from officially authorized dealers are employed." These phrases are more formal and emphasize strict adherence to a policy.

## COMPONENTS WITH AUTHORIZED WARRANTY

## PRINTING SOLUTIONS

### For The Home,Office

For your domestic printing necessities, you may acquire an ideal printer from our extensive product line. We present a broad spectrum of models, including advanced color printers and efficient laser printers, ensuring a suitable option for every individual requirement.

**DOT MATRIX PRINTERS**

**LASER PRINTERS**

**INK TANK PRINTERS**

# PHOTOCOPIERS

Photocopiers are indispensable assets for businesses, significantly streamlining document management and enhancing operational efficiency. They enable rapid duplication of essential paperwork, contracts, reports, and marketing materials, facilitating quick distribution and record-keeping. Modern multifunction devices (MFDs) integrate printing, scanning, and faxing capabilities, consolidating office equipment and reducing costs. This centralizes document workflows, allows for digital conversion of physical files for easier archiving and sharing, and supports collaborative efforts by making information readily accessible. Ultimately, photocopiers boost productivity, improve communication, and contribute to a more organized and effective work environment.
